SIR, Re. the abatement of Land Revenue etc., to be adjusted in the Administrative accounts of the Krishnarajasagara project.

With reference to your letter No.248/K.A.D.II dated 1st September 1938, returning the statement prepared by the Special Land Acquisition Officer, Krishnarajasagara works, Mysore, on the above subject with certain instructions, I have the honour to forward herewith in original a revised statement prepared by the Special Land Acquisition Officer, Krishnarajasagara works in accordance with your instructions for reference and return.

Copies of the marginally noted letters of the Special Land Acquisition Officer, Krishnarajasagara works, Deputy Commissioner, Mysore are herewith enclosed and it will be seen therefrom that the delay in furnishing the reply was due to the fact that accounts for the past 27 years had to be gone through. The difficulties are further seen to have been increased by the closure and revival of the Special Land Acquisition Office, Krishnarajasagara works, with the result that continuous accounts were not kept in that office.

With reference to your demi-official letter No.C.3062/38-34 dated 8-9-1939 on the above subject, I have the honour to forward herewith for favour of information a copy of letter No.A6.6 C.22/38 dated 25th August 1939, received from the Special Land Acquisition Officer, Krishnarajasagara works, Mysore on the subject and to state that there appears to be some practical difficulty in furnishing the particulars required by the Comptroller as the accounts of the past 27 years have to be gone through. Ihave proposed to discuss this question with the Land Acquisition Officer to find out what exactly are the difficulties experienced by the Taluk Amildars. I shall submit a report shortly.

Ref. Particulars of abatement of Land Revenue required to be adjusted in the administrative accounts of the Krishnarajasagara project.

With reference to your No.D4. 1895/38-39 dated 16-8-1939 on the above subject, I have the honour to report that the information called for has not been received in this Office from the Amildars of Seringapatam, Krishnarajapet and Krishnaranagar taluks in spite of your instructions to submit the information within one week. As previously reported, the particulars required by the Comptroller will have to be furnished only on the basis of statements of the Taluks situated in the Krishnarajasagara special area and the delay in submission of a final report on the subject is unavoidable In this connection it may be brought to your kind notice that the Comptroller's first letter No.1027/W.A.D.K.S.S. dated 10-3-1934 to the Revenue Commissioner calling for the above information was received in this office on 28-11-1936.i.e. after the revival of this office and it is only after a good deal of correspondence with the Amildars and several reminders shome information was obtained and a consolidated statement furnishing the available information on the basis of the figures furnished by the concerned taluks was submitted to this office ~~xxxx

submitted with this Office No.Z6.C.c.22/37-38 dated 4-5-1938. This statement has been returned by the Comptroller to the Revenue Commissioner,wi h his No.248-..A.D.II,dated 1-9-1938 with certain observations in respect of several items embodied therein. On receipt of t e statement with your No.D4.1895/38-39 dated 7-11-1938,the Amildars of Mysore,Krishnarajapet,Krishnarajanagar,Seringapatam,and Hunsur were requested to furnished the particulars as required by the Comptroller. As already reported no account is maintained in this Office owing to the change of staff consequent on the closing and revival of this office and als of the acquisition work having been attended to by the Revenue Sub Division Officers,French Rocks and Mysore Sub Divisions,in the interval from 1934 to 1936,the compilation and furnishing the required particul rs from the commencements,up to date i.e. for a period of 27 years is a laborious task and it can be attended to only if the correct information is furnished by the Amildars. Since the figures furnished by the taluks cannot be verified in this office, it is better if a special clerk is deputed ~~xxxxxx~~ solely for this work to collect the information from each taluk so that correct and ~~xxx~~-up-to-date information may be obtained. The Amildars have also been reminded again today. Needful further particulars required by the Comptroller will be furnished as soon as they are received from the taluks.
